

Welcome to the December edition of Artitude

We are very busy with end of year school graduations and events and dance concerts for the next few weeks. This increase in community use has meant that we do not have as many movie screenings in December but we do have some special ones such as the new Ben Elton movie 'Three Summers' that premiered at CinefestOz, 'Bad Mums 2', a perfect opportunity for a girls pre-Christmas catch up (the bar will be open for Bad Mums) and the free annual Lotterywest Symphony in the City simulcast.

We also have the last Foyer Gallery exhibition for the year featuring 20 TAFE visual art students and over 150 pieces of work, which opens this Friday 24th November. The exhibition will only run for just under 3 weeks so make sure you don't miss it.

Membership renewals for 2018 will be mailed out in the first week of December along with a copy of our 2018 events brochure. If you are not currently a member please consider supporting Arts Margaret River by taking out a membership (see below for details). We have a full program of events scheduled for next year located in exciting and innovative community venues whilst the Cultural Centre undergoes renovation. Watch out for our 2018 program launch in early February for more details.

The Cultural Centre will be closing for 2 weeks over the Christmas break with our last event being the Symphony in the City simulcast of Saturday 16 December and we will not re-open until Tuesday 2 January.

We look forward to seeing you soon,
From the team at Arts Margaret River
